## DJA's New Online Look!

**Dave Johnson & Associates** recently upgraded their website to make it more informative and useful. Visit us at [www.djaonline.net](http://www.djaonline.net). This week make a point to see what resources are available through the DJA website: Links, online copies of the newsletter and more!

## Oswego Commercial Center

**Dave Johnson & Associates** provided design engineering services for a proposed commercial center on Route 34 in Oswego, Illinois. The commercial center will house a Tuffy Auto Service Center and other retail outlets. Services provided by DJA included topographic and boundary surveying, site design, sanitary sewer extension plans, stormwater management report and roadway widening plans. Permitting through Illinois Department of Transportation, Illinois

Environmental Protection Agency and the Village of Oswego was recently completed, enabling the commencement of on-site work.

### Upcoming Project...

**Dave Johnson & Associates** was recently selected to perform civil engineering services for the expansion of the GSD Temple at the Hindu Temple of Greater Chicago in Lemont, Illinois. For several years, the Temple has used DJA to provide varied engineering services for many expansion and improvement projects. DJA is appreciative of the long-standing working relationship with the Temple and is proud to offer services for this important expansion.
