Civil Engineer: Dave Johnson
& Associates

Village Green Drive

Dave Johnson & Associates is working with Accolade Architects & Builders to design a 6,500 SF office building in Aurora, IL. This building will house the main offices for SafeGuard Construction and will also have two additional lease-able industrial lofts. For this project, DJA performed a topographic and boundary survey, prepared an erosion control plan, prepared a stormwater management plan and performed site design.

DJA New Website Feedback

If you haven't had a chance to explore DJA's new website, please take a few minutes to do so. Not only will you find out more about the company, staff and some of the projects we've done, but you'll find helpful links and other resources. We would like to hear what you think about the site. Are there resources missing that you would like to see? Do you have suggestions for more links? Do you still have questions about our company after looking through the website? Is information difficult to find? We appreciate any suggestions that you have. Please send your comments to janderson@djaonline.net. Thanks!
